G.O.Ms.No. 335 dated 6-4-48.

Read the following:

G.O.No. 910, Finance, dated 18-12-1946.

From the Inspector General of Police, Rc.No.1875/3 Aud./47, dated 28-11-1947.

ORDER:

Under Article 84 of the Madras Financial Code, when advances for travelling expenses on tour are drawn, full particulars regarding the name and designation of the Government servant for whom advance is drawn should be given in the bill. In the circumstances reported by the Inspector General of Police in his letter cited, the Government permit him to draw tour advances for subordinates of the rank of Head Constables and Constables on bills specifying only the number of the subordinates concerned and their designations instead of their names. The Inspector General of Police should exercise a detailed and careful watch over the recovery of the advances. With a view to enabling the audit office to link the lump sum debit and Nos. in each advance bill with the credit in the adjustment bill, the Inspector General of Police should instruct District Police Officers to draw a separate adjustment bill with ~~ret~~ particulars of name, designation, etc., for each lump sum advance giving reference therein to the original bill for the advance (viz., its amount, date and place of encashment). The above arrangements will be in force as an experimental measure for a year in the first instance.

2. The Inspector General of Police is requested to submit to Government through the Accountant General, a report on the working of the new procedure ordered in para 1 above, towards the close of the period of one year for which it has been sanctioned.
